

THE HEALTH COLLABORATIVE

Free Planning Workshop

The CMS Emergency Preparedness Rule: Understanding how the rule applies to both inpatient/residential and outpatient/homebound providers.

September 6, 2017

Outpatient Providers:
8:30-11:30 am

Register- <https://goo.gl/n4GqZV>

Inpatient / Residential Providers:
1:00 - 4:30 pm

Register- <https://goo.gl/h1tptH>

Key healthcare providers must be compliant with the new Emergency Preparedness standards by November 15, 2017, or risk losing CMS reimbursement. While helping providers develop a planning process, this workshop will cover key considerations that challenge both Urban and Rural populations that are incorporated within the region, along with a discussion of the region's risk profile.
