

MOMS & BABIES FIRST
Ohio's Black Infant Vitality Program

Formerly known as the High Hopes Program

Moms and Babies First is a family centered service for eligible African American pregnant women in Butler County. We offer confidential services. Our program helps women obtain the prenatal care they need to deliver healthy babies.

Our Certified Community Health Workers (C-CHW) make scheduled home visits that begin during pregnancy and continue until the child reaches age one. We provide health education, life skills training, referrals to community resources and we help women to make positive choices for themselves and their children.
